DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, deny and do hereby grant the same, ~~subject to the following limitations and conditions~~ on the grounds that our studies indicate that there is no unappropriated water in the area and furthermore the Bureau of Land Management has rejected the land application due to its unsuitability for agricultural purposes.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

. Proof of the application of water to beneficial use must be filed with State Engineer on or before
